	CERTIFICATION NO: CT/23/CS/048/151	
DEC 2023	<b>RTTSFDL MODEL</b>	<b>Coursera</b>
	Completed a course on Recent Trends in Time Series Forecasting using Deep Learning Model offered by NIT ROURKELA.	
	CERTIFICATION NO: NITR/CS/2023/M/1379/062	

## Extra Curricular Activities

2022-2026	<b>Design, Content , Video Editing Team</b>	<b>APS</b>
	I've spearheaded a dynamic team of 15+ members for video editing and design within the Algorithmic and Programming Society of our institute. In this role, I've not only guided but actively supported team members, ensuring smooth collaboration and project execution. My effective leadership is soon to be recognized with a promotion to Team Head next year, a testament to my commitment and contributions within the society.	
2023-2024	<b>Wing Coordinator/ Secretary</b>	<b>MSS</b>
	In my 120+ days with the MSS Hall of Residence Committee, I've developed crucial management skills. I focus on maintaining high-quality work while fostering character, discipline, leadership, camaraderie, a secular outlook, and a spirit of adventure. Committed to ideals of selfless service, my involvement reflects a dedication to personal and community growth.	
2023-2024	<b>Class Representative</b>	<b>HS Electives</b>
	As the class representative, I've demonstrated job-related skill development through creative event planning, assuming positions of responsibility. My active participation in group projects and presentations has honed my presentation skills. These experiences showcase my commitment to developing a well-rounded skill set for future employment opportunities.
